Wisconsin Almanac and Annual Register for 1857

We shall publish on or about the 1st of January, No 2 of our WISCONSIN ANNUAL REGISTER containing in addition to a Calendar for the year, Description of Wisconsin, List of Members of all the successive Legislatures, Tables of all the general Elections held in the State, Census of 1855 by towns, &c, &c in Appendix, giving much other valuable matter. We propose to add to the matter contained in the Register for 1856 the Election Returns for last November, by towns—the new Apportionment Bill—the Assessment and Equalization of Property for 1856—the Vote of the Union for President—besides other valuable statistics for reference, the whole making a pamphlet of about 125 pages

RUFUS KING & CO

"STILL HARPING" ON THE HARBOR—The News continues to be exercised in relation to our Harbor. It sees no good at all in the improvement, unless all the glory can be monopolized by its partizan patrons. Having peremptorily ruled out the U S Harbor Agent, who had the entire supervision of the work, from any share in the credit, it now informs its readers that "the Sentinel and its allies have done all in their power by dark allusions and insinuations to prejudice the people against the work and those having charge of it." This assertion is as utterly and impudently false as its statement in regard to the Harbor Agent. The Sentinel has invariably and warmly advocated the work and spoken often and approvingly of those having charge of it.

The North-West Districts—The Legislature Complete.

The Hudson North Star brings us the vote of Douglas County, which settles the fact of the election of Wilson, Republican to the Senate from the district composed of the counties of Douglas, La Pointe, Polk, Chippewa, St Croix, Pierce, Dunn, Burnett and Clark. The figures for Senator show a handsome Republican majority in the district, though the vote was divided between two candidates. Dunn county gave Wilson 372 majority.

The full vote of Douglas County was as follows

Fremont 12	Buchanan 143,	Fillmore
Washburn 4	Crawford 141,	
	Senate	
Wilson (R) 11	McNally (D) 117,	
	Assembly	
Slavton (R) 32	Markland (D) 157	

In the Assembly district composed of the counties of La Pointe, Douglas, Burnett, Polk, and St Croix, we have returns of the following vote

St Croix—Strong (R)	2..	Markland (D)	6
Polk—	(R) 105,		58
Douglas—Slavton (R)	35		157

Total, Strong 3.., Markland 2.1, Strong's majority 102. La Pointe and Burnett still to be heard from, which will not, in all probability change the result

All of the districts have now been heard from, and the Senate stands 19 Republicans to 11 Democrats, the Assembly .. Republicans, .. democrats

P S—La Pointe Co voted as follows

Fremont	10,	Buchanan	
Washburn	7	Crawford	1

McNally, for Senate 11, Markland, for Assembly 91. The vote for Assembly is close

OUR WISCONSIN ANNUAL REGISTER—The second number (for 1857,) of this serial publication will be issued early in January, and will contain a great variety of statistics, of interest and value to the politician the lawyer, the business man, and the public generally. The Janesville Free Press has a kindly notice of the Register, concluding as follows

Every intelligent man should take the volumes of this work as they appear, and preserve them carefully. As they will contain the statistical history of the State, they will be to a Wisconsin library in a few years, what files of the American Almanac are now throughout the Union. Every professional man, farmer and mechanic should secure a copy. The publishers furnish single copies for 25 cents, a price that places it in the reach of every man

A DEMOCRATIC OPINION OF THE MESSAGE—The Madison Argus, "official organ" of the bogus Democracy of this State, pronounces the Message "the ablest State paper that President PIERCE has yet put forth"—that is saying very little after all—and thus flatly endorses its political tenets

The statements and arguments in regard to the slavery question are all worthy the careful perusal of all citizens. It is a perfect vindication of the principles of the Democratic party, of this question, and will commend itself to the good judgment of every patriotic and Union loving citizen.

We are perfectly content that the Sham Democracy should accept the Message as the embodiment of their principles, and we certainly think that it reflects them fully and faithfully. But they are "principles" which none but Doughfaces at the North can swallow, without a fencing conscience, ignoring history and doing violence to Truth and Right

ANOTHER CABINET CAST—A Washington correspondent of the New York Tribune, vouched for by that paper, as a man who can "see as far into a mill stone as the next man," gives the following as the probable complexion of Mr Buchanan's cabinet

Secretary of State—LEWIS CASS, Michigan
Secretary of Treasury—HOWELL COBB, Georgia
Secretary of Interior—JESSE D BRIGHT, Indiana
Secretary of War—CHAS J FAULKNER, Virginia
Secretary of Navy—WM PRESTON, Kentucky
Postmaster General—CAVE JOHNSON, Tennessee
Attorney General—ISAAC TOUCEY, Connecticut

Old-Fogyish, decidedly—but at least not Fillibustering

PROGRESS OF THE MILWAUKEE AND LACROSSE RAILROAD—The Portage City Independent brings the following items

We are informed that the Railroad will be completed to Pardeeville, on Saturday of this week, and that the regular trains will run there soon. That brings it to within eight miles of Portage, with almost a full month to get it here by the 1st of January. We think the cars will be here by that time, easy.

The heavy filling for the Railroad across the end of Duck Lake on the north side of the City, is mostly completed. It has taken a good deal of earth to do it. For a time, the bottom fell out about as fast as the top was put on, but they have got it solid now. The embankment is about 20 feet above the Lake

ILLNESS OF DR KANE—Letters from London by the last steamer, says the New York Journal of Commerce, bring the most discouraging accounts of the health of the brave Arctic navigator. He is very pale—much reduced in flesh—and his night sweats are terrible. His cough also is alarming. His physicians had enjoined him to leave for a warmer climate as soon as possible, and he was accordingly to sail on Monday the 17th Nov, for St. Thomas and Havana

ROCK COUNTY ASSESSMENT—The total assessed valuation of Rock County, as appears from a table in the Janesville Gazette, was $4,1.2,12., of which Janesville amounted to $882,0.7, and Beloit to $255,31. (We think the Beloit assessors entitled to a premium for their enterprise.) As equalized the valuation of the County foots up $7,17.,558, of which Janesville stands at $1,172,201 and Beloit at $511 39.—Thus Janesville is "guessed up" about 30 per cent, and Beloit more than 100 per cent. What a farce is the business of assessment in this State!

Correspondence of the Sentinel

Men and Things in Gotham.

NEW YORK, Dec .., 185.

MESSRS EDITORS—The year rolls on to its close, and winter has come, tho' only in name, for the weather has been unexceptionably fine, and the pleasant airs of Autumn linger with us still, tho' the appearance of snow last week in our streets astonished the early risers and brought out the top boot fraternity in all its glory. To day we luxuriate in a pleasant rain—one of those drizzles which render Gotham as an abiding place most delightful, the only drawback to them being the tendency they have leading one to do something desperate to himself. I notice several cases of suicide hereabouts, probably anticipatory of the trying times ahead

Thanksgiving came and disappeared with its good and bad dinners, semi-social gatherings, sermons, all in print afterwards, target shooting, and general loafing of a community which never knows how properly to enjoy a holiday. Portions of the press have been so bold as to remark that the day is not understood out of New England, and its existence in our midst is in consequence a useless waste of time, but the heathens are not all defunct, and an editor should know better than to crush out of the calendar any one day, however poorly observed, which serves as a time of relaxation to an over worked community

Evacuation day is not a holiday with us, though the military make all they can out of it. This year the display was unusually fine, yet comparatively few people optically knew of the celebration. A five daughter of the regiment turned out with the French company and was an object of considerable interest. I believe she does not walk the streets for a livelihood but in the good old style, is literally an adopted child of the company, and being an orphan is educated and supported by it, and there is nothing objectionable in the fact, but something touchingly beautiful in the idea

Gotham quite generally has been very lively of late, streets crowded with beauty and strangers. A good many fashionable weddings in fashionable churches have transpired, choking up the streets for blocks with carriages and astonishing the unsuspecting pedestrian with the rush of live mountains of white bridesmaids going to the altar and coming therefrom, musing on his mind the well known fact, sometimes forgotten, that "life is a fleeting show." "Curtis, sometimes called "Potiphar," was numbered with the Benedicts last week, but has written in advance his story of "Flue and I."

Scores of distinguished and extinguished individuals have thronged our hotels preparatory to the meeting of Congress, and among them has shone somewhat conspicuously that infamous little giant of mischief, "Dough" perhaps because of the pretty woman who was unfortunate and foolish enough to unite her fortunes with his. "Herbert, the waiter killer, is back also, San Francisco being too virtuous a place for him to enjoy life in. Washington and its mockery of dignity and integrity will probably hail him as fellow well met. What a commentary for the patriot to read and reflect on! Verily the times are out of joint, if there is nothing rotten in Denmark

This is the season for charities, and chief among the demonstrations has been the great Catholic fair at the Crystal Palace, netting over $30,000 by the enterprise, which was for the enlargement of the St Vincent Hospital. Protestants, it is said, are not recipients of this charity. I hope otherwise, as a large portion of the proceeds of the fair was derived from heretics—The conducting of the sales department was characterized on the part of the young ladies interested, by the most persistent and unmitigated assault on the pocket capital of the crowds who visited the Palace, proving perhaps the saving of the foreigner, that we are all a nation of shopkeepers, and only want a counter before us to be perfectly at home

A Fifth Avenue novelty, in behalf of the shirt sewers' union, came off last week, and the world anxious to move in good society or get its two extremes, were admitted to all the glories of upper tendom on payment of a handsome entrance fee. Mrs Ritchie, late "Mowatt" being in town, was the card, and did the eloquent, other talent of a musical character assisted and a good time was supposed to have been had in consequence

Descending to gossip, somewhat foreign to Viola's tastes, I would merely observe for the benefit of your fair readers, that there has been a good deal of it afloat lately. Some becomes public property, while much never sees the light. The story of the only daughter, without the gorgeous army, annexing herself to a good looking but worthless fellow, contrary to the bereaved parent's wishes, and the pocketing of a young fortune by the gallant but unprincipled dog, who did the ingratiation without fulfilling the contract of separation, is true, showing a chapter in New York life liable to take place elsewhere. It is true also that a foolish girl, the daughter of wealthy parents, has fallen in love with a favorite tenor, none other than the dashing "Brignoli," but as the sweet singer in Gotham pathetically remarks in broken English "if the youngs voomans vil lof me, how ze devil can I helps it?" Sure enough, how can he help it so he pursues the pleasant tenor of his way—Well, there are lots more, but I repent me already

The trial of Lewis Baker at Newburgh is nearly concluded. No new facts of any importance have transpired to give a different coloring to the case. The only noticeable feature in the new trial has been the change in the character of the audience present, the rural districts not affording that under strata of crime and ferocity, so apparent in Gotham during the prosecution of any great criminal case. The jurymen too are more honest also, and it is supposed that justice will be done this time

The payment of our enormous taxes approached a head last week, 1 per cent being added to each bill unpaid after the 2.th of November, nearly a million of dollars was received in consequence on Saturday, and the delay attending the payments for a week previous proved no joke to the eager crowd of fortunate landholders who thronged the Receiver's room

The letter of an ex policeman to Mayor Wood has attracted considerable notice, containing, as it is said, a long and true array of unpleasant charges against the honesty of his Honor

City improvements progress rapidly, and many of the magnificent banks, buildings and merchant's down town palaces projected in the spring have approached completion and beautified the marts of trade. The American Exchange Bank is about erecting an elegant house for its business on the corner of Broadway and Cedar Street. Pine St has been paved with the Belgian pavement at the expense of the merchants on the street, and Wall St sadly needs the same improvement. The Sixth and Eighth Avenue Railroads are to continue down to Broadway through Vesey Street and ground has already been broken for the purpose. It will be a great convenience to the public. Trinity Church has given the city some six feet of the sidewalk adjoining St Paul's churchyard on the same street

Coleman of the Astor House, is about to occupy the Lafarge House, which will ensure the success of that splendid hotel beyond a doubt. Rathbone is about to occupy a new hotel it is said, on the corner of Howard St and Broadway, the favorite standing place of all the "fancy," not long since.

Mrs Keane's new theatre was opened with all the honors, and proves to be a gem in every respect. The new comedy of Young New York, brought out by her, has proved an eminent success. Davenport and his wife have quarrelled with Burton, and are now astonishing the patrons of the Bowery, they are superior artists. Old Wallack has terminated his brilliant engagement here and gone South. Anderson the English tragedian, with Miss Ellsworthy, preceded him. The new opera season has met with fine success and will soon be brought to a close, by the company proceeding to Havana. To night "Traviata" will be produced, and all are on the qui vive for the much talked of opera, which will probably be as popular as "Trovatore". Of Thalberg and D'Angri I must write in my next. The last is second only to Alboni, and satisfied my taste completely. Yours,

VIOLA

Fox and Wisconsin Improvement.

The last Green Bay Advocate brings us the details of the recent lettings of work upon the enlarged improvements of the Fox River. These lettings and the awards were as follows

Lock, dam and section work at Little Kaukauna, to A E Cronwell and E W Hopkins

Lock and section work at Rapide Croche, to Arthur Reeley

Section work at Menasha, to Henry Hewitt

Lock, dam and section at Montello, to John Richardson & Co

Lock at Fort Winnebago, to Nelson McNeal & Co

Lock and section at Portage City, to George Paddock

This work is in accordance with the act of the last Legislature and is to be completed within two years, under penalty of a heavy forfeiture. When completed, steamboats 140 ft long, 30 ft wide, drawing from 3 to 3½ ft water, and with a capacity of from 250 to 300 tons will be able to navigate the entire route, from Green Bay to the Wisconsin river at Portage. This is a better line of navigation than is furnished by the Mississippi, between St Louis and St Paul. The estimated cost of completing the improvement by the new plan is $198,500. The Advocate says that the completion of the work at the appointed time may be regarded as certain as well from the reputation and responsibility of the men who have it in charge, as from the stipulation, in the act of the Legislature, of a forfeiture of half million of dollars in case of failure.

We here in Northern Wisconsin, we don't have to designate any man's politics who is elected. We don't elect any but Democrats. The Oshkosh Courier thinks that the politics of Wm H Morgan, who is the Assemblyman from Oconto county, must be a "little mixed," as the Advocate says nothing of them in announcing his election. Mr Morgan is a sterling Democrat, of course, and a right good man of course.

This fine flourish in the editorial columns of the last Green Bay Advocate is somewhat marred, in its poetical effect, by the fact told in the same paper, that Mr MORGAN is not elected after all, his clever Republican competitor, Mr C B STEVENS, having beaten him handsomely

COMPLIMENTARY—VERY—The Green Bay Advocate, a staunch Democratic paper, notices the rumor that ex Gov BARSTOW had gone on to Washington, with the distant idea of becoming Postmaster General under Mr BUCHANAN and expresses its sentiments on the subject in this anglo saxon wise

The Barstow political interest in Wisconsin is dead, buried, and stinketh. The Democratic party has freed itself from the dead weight which hung about its neck, though it carried it a little too long. This State would have elected a Democratic electoral ticket this Fall, had it not been for the damning connection with that particular crew which the party could not get rid of. With a San Francisco population the matter would have been arranged long ago, a Vigilance Committee such as they had there, would have done at once for the party and the people generally what has been wrought out tediously and laboriously, though affectually, at the ballot box. But it has finally been brought about, and it is now utterly impossible for Gov. Barstow to get a position in Wisconsin by the votes of the Democratic party. It seems simply laughable, in this State, that so high and honorable a position can be thus bestowed, and the thing is probably as ridiculous in Washington as it is here—but perhaps not

THE LATEST FICTION AGAINST COL FREMONT—The following letter, which is published in the Philadelphia Bulletin, disposes of the last fabrication coined and uttered by the Buchanan press against Col FREMONT. The News published the falsehood—let us see if it will make the correction

PHILADELPHIA, 11th month 29th, '56.

ESTEEMED FRIEND—Having read the article inclosed in thy letter of yesterday, taken from The Washington Union of the 27th inst. I have only to say in reply to the inquiry, that the statement of an interview between Col Fremont and myself, and of an attempt on his part to seduce me into his support, is utterly devoid of truth

I have never seen Col Fremont since last January. I saw him then in company with Isaac R Davis, at my store in Philadelphia, by whom I was introduced to him. But I did not then, nor have I ever exchanged a word, or had any communication with Col Fremont on political subjects. Very respectfully, &c,

ISAAC NEWTON

To CHARLES GIBBONS, Esq, Chairman, &c

The full official vote of Louisiana, as given in the N O Crescent of Nov 25—For Buchanan, 22 174, Fillmore 20,709. Majority for Buchanan 1455

NEW COUNTERFEIT—A new counterfeit five dollar bill on the "Pittsfield Bank," of Massachusetts, dated June 1st, 1854, date engraved, large spread eagle on left top end, and head on bottom of right end, have been extensively circulated in Chicago. A man named Lemuel Hotchkiss, who had passed several hundred dollars of his money, was arrested in Chicago on Monday. The bills are said to be well calculated to deceive. Merchants and others had best be on the look-out for them.

AID FOR SUFFERERS IN KANSAS—We learn from the Madison Journal, that the ladies of that city have filled and sent forward, four boxes of clothing, valued at $400, for the sufferers in Kansas. In all, about $500 has been contributed by the citizens of Madison for the relief of our brethren in Kansas

Good News for Portage.

The contracts for rebuilding the locks at each end of the canal connecting the Wisconsin and Fox rivers in this city, were let on Wednesday, the 26th ult, at the Engineer's office in Appleton. Nelson McNeal & Co, of this city, obtained the contract for the lower lock, opening into the Fox river, and a gentleman from Ohio the guard lock on the Wisconsin. All the work to complete the navigation of the Fox river, from this city to Green Bay, according to the plan submitted by D C Jenne, Engineer, and adopted by the legislature at the late session, was let at the same time, and we are assured the company have been careful to require ample guarantees that the contracts shall be completed within the time specified

This settles the character of the Fox river navigation, the time when it is to be opened, and puts at rest all doubts as to its practicability and early completion

The lift lock in this city is to be completed by the opening of navigation next spring, so that the whole line may be used next season. The whole work to be completed within two years. The effect of this upon the trade of the country north and west of us can hardly be over estimated

The cost of the work in our city amounts to something over fifty thousand dollars—This is one of the items that make up, in the aggregate, more than half a million dollars to be expended the coming season, in labor and home materials, upon public and private works, in this city and its immediate vicinity

Portage is now out of the woods, and may crow as loudly as she pleases. 1856 is the last year of our dependence upon the Stage Co's mud wagons, in visiting our metropolitan neighbors. The good time is coming, the bright day has dawned, when we will take our choice of locomotion between the steam palaces that glide through the beautiful valleys of central Wisconsin, on the silver stream that connects the great lakes with the father of waters, or the cars drawn by iron horse, "annihilating time and space."—Badger State.

A CURIOUS DOCUMENT—The State Historical Society have obtained the original MS copy of an original poem read by E Herring Smith, Esq, the well known author of the epic poem on the Black Hawk war, at a Fourth of July celebration in Milwaukee in 1836.

Singularly enough the Society have not as yet been able to procure a copy of the famous epic referred to. Copies should certainly be deposited in the collection of the Society as a specimen of early Wisconsin literature. Who will donate one? We presume there are still a large number extant. Some of the Milwaukee "Thirty-Sixers" must have them laid away in their libraries, and we suggest that they forward one to Mr L C Draper, the Secretary of the Historical Society.—Madison Journal

WHO PAYS FOR IT ALL—The annual expense of a soldier in the U. S. Army is about $1,31., Of the money thus used to pay it New York pays one half. The Dragoon, therefore, whom we employ to enforce the bloody Missouri Code in Kansas, costs us in this State $.17., or thereabouts. We might complete the enlargement of the Erie Canal and pay off the State Debt with this money, but our Democratic Rulers prefer that it shall go towards hanging and shooting New York and New England men for being too fond of Freedom.—Buffalo Ex.

Jubilee of the Virginia Election.

WASHINGTON, Dec 6

The Star contains the report that the Virginia Electors had recommended ex Gov Floyd for a post in the new Cabinet. The Electors had quite a jubilee after casting the vote of the State. Governor Wise was present. Many speeches were made and toasts drunk

One of the sentiments declared the Ostend manifesto to be the eternal law of nature, etc. All honor to the statesmen who will execute its principles. Gov Wise in a speech declares that nothing would tempt him to leave his present position in which the Democracy of Virginia has placed him

He also said it was due to Virginia that some of her distinguished citizens should be called to aid in carrying out the policy. Both of the declarations were received with loud applause

Kansas Affairs—Removal of Barbour's Murderer

WASHINGTON, Dec 6

The President has removed G W Clark the alleged murderer of Barbour, in Kansas, from the office of Indian Agent in that Territory and appointed Isaac Winston Whiz, of Culpepper county, Va, in his place

A special Messenger has arrived from Kansas bringing dispatches from Gov Geary relative to the release, by Judge Lecompte of the murderer Hays, and also to other matters at issue between him and the Judge, all of which are submitted to the consideration of the Administration. Affairs in the Territory are represented as still peaceful

Congressional.

WASHINGTON, Dec

The Senate is not in session to day having yesterday adjourned over until Monday

HOUSE—The question pending was the admission of Whitfield as a delegate from Kansas

Mr Phelps stated that a majority of Mr Whitfield's friends were in the city, and by one majority a call of the House was ordered, in order to give time to the absentees to reach the Hall

The House then voted on the pending question of Grow's motion to lay on the table the motion to reconsider the vote by which the House on Monday refused that Whitfield should be sworn as a delegate from Kansas, which was decided in the negative—105 against 111, Whitfield's friends being in the majority

Jones, of Tennessee, moved the previous question

Mattson moved an adjournment which was decided in the negative

By the general consent a further consideration of the whole subject was postponed until Tuesday

McMullen called for the reading of the President's Annual Message, the House, he said, would not otherwise credit it as this be done

The Speaker decided the motion to be out of order

The resolution submitted by Stanton to draw for seats being regularly before the House, has was adopted and according to the method prescribed, all the seats were vacated, the members retiring without the bar, as the Clerk drew each name written upon a piece of paper from the box which many gentlemen demand I should be well taken

The members severally made their selections. In seating themselves to secure possession much laughter was occasioned by Whitfield's name being first drawn. Some of his friends expressed their satisfaction by huzzas, clapping of hands and waving their hats. Several of the members on the other side exclaimed "what business had his name in the box?" and, "He has no right to a seat."

The Speaker interposed in support of the last expression, as the question of his admission as a delegate from Kansas being undecided. The drawing of seats then concluded, and the House adjourned until Monday

A special dispatch from Lancaster to the Tribune says it is understood here that a meeting has been held at the St Nicholas, N Y, of the leading Democrats throughout the State, for the purpose of recommending Hon Erastus Corning for the Secretaryship of the Treasury. This move will fail of success as will every other to bring forward New York candidates for a place in the Cabinet

We omit to day our usual summary of the principal items of export for the season, as we shall have, in a day or two, the complete figures, both of exports and imports when we shall publish them, and compare them with the figures of last year. They will show a large aggregate for the business of the year

The last shipments by lake went out early last week and the last cargoes have been received, except by four or five sail vessels still due. The prop Mt Vernon left Buffalo on the 4th, bound to this port with a cargo of merchandise but it is doubtful whether she gets through. The vessels in port have all been stripped and put into winter quarters

The very heavy snow storm of Tuesday last blocked up the railroads and the country roads to the stations so that the receipts of produce from the country have been very light, and transactions small. The unexpectedly early setting in of winter finds many buildings yet unfinished, and interferes with many calculations based upon the fine weather of previous years. It also checks the business of the various railroads leading into the city and will make a considerable difference in the receipts for the month

We notice that Wisconsin R R stocks continue to advance in Wall St, as operators become better acquainted with them, and the last sales noted for Mil. & Miss were at 78¾a80, and for La Crosse & Mil at 4..

As we have stated above, transactions have been light during the week. We quote as follows

FLOUR—receipts from the country much less than the week before. We quote country No 1 $4 50a4,62½ extra at $5a5 25

Dalley's Magical Pain Extractor.

THE great and principal characteristics of DALLEY'S MAGICAL PAIN EXTRACTOR consist

1st. Of its never failing and unique property, as soon as applied to any external injury, TO CHECK INFLAMMATION instantly, and rapidly to reduce it. This feature constitutes its great power to alleviate the pain of burns and scalds, and of other painful diseases in so incredibly short a space of time, and as will appear from the few testimonials hereunto annexed. Every intelligent mind is fully aware that, in all cases of external injury, the pain is produced by inflammation of the injured parts, and, therefore if you remove the cause the effect must cease

2d Its purificative properties neutralize, the poison that may lurk in the system, and will, when applied to the sores, draw rapidly all impure matter to the surface, and eject it—hence the great discharge it produces from sores occasioned by burns—and when applied to old, inveterate sores, Salt Rheum, or other cutaneous diseases

Each box of GENUINE DALLEY'S PAIN EXTRACTOR has upon it a Steel Plate Engraved Label with the signature of C V CLICKENER & CO, proprietors, and HENRY DALLEY, manufacturer. All others are counterfeit.—Price 25 cents per box

All should be addressed to C V Clickener & Co., 81 Barclay street, New York

Scrofula and Salt Rheum

Of four years standing, cured by Carter's Spanish Mixture

WOOSTER, Wayne Co Ohio, Dec 1, 1853

Messrs BARRETT & BEERS

Gentlemen—Having for four years past been suffering with Scrofula in its worst form, without finding relief from our best physicians, I was solicited by a friend to try Carter's Spanish Mixture. It gives me pleasure to state that before finishing the first bottle, the disease relaxed. I then ordered two more bottles and with heartfelt gratitude, I state to you the fact that two bottles of your excellent preparation has entirely cured me.

The third bottle I gave to a friend who has been suffering with Salt Rheum for a length of time, and he, himself, owes his restoration to health to the virtue of Carter's Spanish Mixture. You are at liberty to use this letter in any way you may think proper if it will benefit the afflicted

SOLID WINTER WEATHER.—The weather, since the snow storm of Tuesday, has been steadily cold. The mercury, for six successive mornings has fallen to zero or thereabouts, and once or twice five or six degrees below. The river is thickly bridged over with thick and strong ice. The streets and roads are covered with an indurated pavement of snow a foot deep on the average, though very unevenly laid by reason of the *Crafts*. The boys have commenced the skating operations, the music of the sleigh bells fills the air and makes merry the city, business is lively for the season, game and poultry are becoming abundant, reasonably cheap, wood and coal is in good demand and good supply. Furs are much sought after and the [illegible] have a splendid show of them. The Holidays are approaching, and people making ready for them. Indeed, Winter is upon us, in full panoply and a [illegible] of snow on the well prepared ground, will make matters complete.

The Printer's Festival.

A meeting of the Printers of Milwaukee was held at the Daily Wisconsin office on Saturday evening Dec 6 for the purpose of making arrangements for the celebration of the Birth day of the Patron Printer, BENJAMIN FRANKLIN.

Mr E C Quiner was called to the Chair and Geo A Treyser chosen Secretary.

The Chairman stated the object of the meeting in a few remarks, and on motion of H K W A[illegible] a Committee of Arrangements consisting of one from each office, was appointed.

Geo A Treyser, R W Drake, J S Vincent Lorenzo L. Crounse, John D Laws, H J Williams Wm Endres, Paul Dilg, F Ricke and H [illegible] were appointed said Committee.

The following resolutions were then offered and unanimously adopted

Resolved, That as Printers of the City of Milwaukee, we will celebrate the coming Anniversary of the Birthday of the Illustrious Printer and Philosopher, BENJAMIN FRANKLIN in fit and appropriate manner

Resolved, That the name of FRANKLIN is "world wide" and should ever be cherished among Printers of the present day, as a pattern and guide for them to follow

Resolved, That we extend an invitation to Printers as well as Publishers throughout the State to lay aside the "*stick and rule*" and unite with us in celebrating the occasion worthy of the "Craft" everywhere

Resolved, That all papers in this City and State be requested to publish these resolutions

After making several suggestions as to the manner of celebrating the occasion the meeting adjourned all having the idea that [illegible] a good time coming boys.
GEO. A. TREYSER, Sec'y

MELAINOTYPES.—There is no end to the discoveries in the art of sun painting. We have had daguerreotypes, talbotypes, ambrotypes, photographs, &c., and now comes the "Melainotype," which is a remarkable in many respects. H S Brown has the exclusive right for this city, and has already taken a number of pictures with complete success. They look very much like the Ambrotype but possess superior softness and distinctness. Their durability is perhaps, their most remarkable feature. They are taken on japanned iron plate, and we learn that, in order to test the [illegible] some of the plates were hung out of doors in New York all last winter and [illegible] in the spring as perfect as when first exposed to the weather. No rubbing defaces the picture and the plate may be bent into any form, and restored to its place without cracking the picture. Of course these qualities would be of no value for an inferior article but when, as is the case with these, they are of the very best, it is important to be able to preserve them.

GAS vs BENZOLE.—The *American* demurs to our brief paragraph, touching the gas controversy, as "flippant," and takes us with "history," in our treatment of the matter, because we lent our columns to the rejoinder of "a Mr Inbusch" to the attack made upon him and others by the *American*. In [illegible] we [illegible] from taking part in the discussion and in narrating the Benzole accident which came near setting fire to the *American* office, we told the story as it was told to us. By way of return for this, the *American* misrepresented the facts in regard to the article in the *Sentinel* about the Gas works and has not yet made the correction. This was hardly fair and certainly not neighborly. We expected better things of Benzole. Gas would never have behaved so.

HANDSOME MILITARY OVERCOAT.—We saw on Saturday, at Hagie & Swain's a very handsome Military overcoat got up by B J Burr by their tasty cutter, as a sample coat for the Light Guard. The cut, material and make up of this overcoat are perfect. The Light Guard have not yet decided upon the style of overcoat, but the garment in question was purchased, at sight, by a military gentleman from the Capitol who is an honorary member of the Guard.

CUT HOLES IN THE ICE.—Now that the river is fairly frozen over and likely to remain so for some time holes should be cut in the ice at the foot of every street for the use of the Fire Department. Much value [illegible] is often lost in fires by the difficulty of getting water from the river when thick ice has to be cut through. The City Marshal or Alderman ought to see that it [illegible]

He thinks them a very fine medicine. 25 cents per box.

City Land Office.

ON THURSDAY, December the 18th, in the morning [illegible] I will sell the following Real Estate, and I will give a clear title to all persons to purchase property [illegible] which they must [illegible] between this and spring

The sale will commence with one hundred lots in Kilbourn City—that is a city which has been laid out and which is and must be the seat of Government of our State. I have maps of the city which I will give to all who wish them. The terms of the sale of the lots in Kilbourn City are [illegible] cash [illegible] in 1 2 and 3 years, with seven per cent interest.

The second [illegible] of the sale sixty lots in the City of Sheboygan, which is on Lake Michigan and a distance of sixty miles from our city. I am told by [illegible] who have visited Sheboygan, that she will be the next to Milwaukee and I have no doubt from the situation she holds but what she is [illegible] the second to Milwaukee. This property is in good [illegible] central and it will be sold on very [illegible] terms.

In this part [illegible] the sale is some thirty or forty lots in the new and beautiful city of Beaver Dam where a large and a very lively and extensive business is now doing, owing to the [illegible] the La Crosse Railroad has located [illegible] depot which I am going to sell are near the depot and [illegible] very desirable. The terms upon which these lots will be sold are very easy.

The fourth part of the sale is that Giant land lying [illegible] farm which formerly belonged to Ex-Gov Douglass which has been cut up into ten acre lots about 1½ miles about this city [illegible] [illegible] from Dr Chase's, and about the same distance from the [illegible] fevers. This is very beautiful location for residences, and this is situated on the [illegible] and you have [illegible] once the ten acres a full view of our beautiful city, and for business men is a very desirable location [illegible] a portion of timber sufficient with each lot to keep up the fences and for fire wood for the next fifty years. This property will be sold on [illegible] and the [illegible]

The fifth part of the sale is some twenty valuable lots in the 3d and 7th Wards in our city. [illegible] no more than [illegible] and that it makes very little difference [illegible] [illegible] property in Milwaukee. You are very sure [illegible] to treble your money in a very short time. Well this is all I have to say at present.

Will the city papers please advertise for people to copy the foregoing [illegible] and send their accounts to my office for collection

Articles of Taste
FANCY AND UTILITY.

E. C. ARNOLD, 184 East Water street continues to devote careful attention to this department and is now arranging his recent purchases which embrace items fitted to *grace the Drawing Room or Boudoir*. In selecting he has studied the wants of both sexes and all ages and while endeavoring to satisfy a severe taste has secured moderation in price. As many of the goods are fresh importations and cannot easily be duplicated he need not say more to induce purchasers to make an early call and choice assuring them that any merely technical description falls far short of conveying an adequate impression of the rarity, elegance and extent of the assortment. The stock is rendered still more attractive for Holiday and other festive occasions by choice Illustrated editions of the received Classics of English and American Literature and favorite authors in trans lation in the luxurious and revived antique bindings and ornamentation—of which a descriptive list anon.

E C A is happy to say that the estimate of the taste and appreciation of his customers is fully verified by the success attending the sale of his last invoice of pictures, and he anticipates still further cause of gratulation now that he has added so essentially to the artistic features of his establishment.

WASHINGTON, Dec 8

SENATE—After selecting the Rev Hill, a Baptist minister of Washington as chaplain, the Senate resumed debate on motion to print the Presidents Message

Mr. Bigler entered largely on a defence of the President against the attacks of the Republicans in reply to a question by Mr Wade, relative to Mr Buchanan's policy. He said the people of Kansas must determine the question of slavery for themselves, but he had no doubt that Mr Buchanan, like most northerners, would feel that she should be admitted into the Union a free State. Adjourned

HOUSE.—The President's Message was read

Mr Campbell of Ohio, moved its reference to the committee of the whole, taking occasion strongly to condemn the assertions of the President relative to the disloyalty of the republicans and charging the democrats with deceptive conduct in the late presidential contest, and succeeding by treachery and complicity in regard to the Nebraska bill, those in the North giving it a different interpretation from that held by the South.

Mr Sherman defended the Republicans, saying that the President's charges were gratuitous and that it was equally untrue that they designed or wished to change the relative position of the white and black races, or to interfere with slavery in the States

The debate was animated and was listened to by crowded galleries. Adjourned

It proposes a reduction in the aggregate of the revenue of about six millions, but in different form, as to wool, from the recommendation of the Secretary of the Treasury

It is asserted, most positively, that Franklin Pierce intends running as a candidate for U S Senator from New Hampshire, in the place of Mr Hale, in 1858

It is understood in Washington that Governor Hamlin will be returned to the Senate from Maine after an informal induction in the Gubernatorial office.

GREAT SALE OF LOTS
IN THE CITY OF
PORTAGE,
On the 18th day of December, 1856

THE principal real estate owners in the city of Portage have made arrangements for a general sale of Lots in said city, at the time above named. Over one thousand lots will be offered situated in all parts of the city. A liberal credit will be given for a part of the purchase money, if desired.

It is believed that the great advantages of this point are understood among the business men of the State—The La Crosse Railroad is now running to within 20 miles of here and will be completed to this city early in January next. The land grant disposed of by the last Legislature secures the completion of a railroad from Madison, and another from Columbus to this city within two years, and from thence through the Northwestern part of the State to Lake St Croix and Lake Superior. Doubtless the able and energetic company who have this work in charge will push it forward to completion with all possible dispatch. The long delayed Fox and Wisconsin River Improvement is now certain of being completed immediately, making a perfect navigation for vessels drawing 3½ feet of water from Lake Michigan to the Wisconsin River through the canal at this place. The art of the last [illegible] [illegible] recent [illegible] for this. The commercial advantages and prospects of Portage are unequalled by any town in the interior of the State, and it has no rival. The site is high healthy and pleasant and surrounded by beautiful scenery. The city has grown rapidly, with a healthy and natural growth and it will soon receive a new impulse from powerful impetus. Real estate is still cheap at very low. There never has been any attempt to inflate prices by speculation in fictitious values.

An opportunity is now offered to obtain property here on the most favorable terms. [illegible]

LESSONS IN

Foreign Languages.

MR. AND MRS. L. S. B. DECRETY, from Paris, for four years past instructors in foreign languages in Milwaukee, have the honor to inform the public that they will form classes in the French, Italian and Spanish languages on the 1st of September next. The course of instruction will be according to the age and intelligence of the pupils, and the classes kept entirely separate, their house being arranged with that view.

Gentlemen and ladies who begin to speak either of these languages, can receive lessons in Reading and Conversation, Mr. DeCrety furnishing books of the best French authors. Those too wishing to learn vocal music in either of those languages, will find a competent music teacher in the establishment.

The hours of instruction will be from 8 to 11 o'clock A. M., and from 2 to 5 P. M. And in the evening from half past 6 to 8, for conversation.

Mr. DE CRETY will also give lessons in French, Spanish and Italian, at his office, to gentlemen only, from 7 to 10 o'clock in the evening, as also lessons in Fencing, the use of the Sword, and an all its exercises. Persons of delicate constitution and feeble temperaments, as also those confined to their offices and engaged in sedentary pursuits, will derive from these exercises, improvement in their health, acquire strength in their limbs and find an agreeable recreation.

Mr. De Crety will also form similar classes for children, from 10 to 15 years old, at his house, or office, as parents may prefer. Fathers and mothers who desire to see their children strong, active and robust, can judge for themselves after a few weeks trial, as to the effect of these different exercises upon their health.

The continued patronage of the public is respectfully solicited.

To MERCHANTS.—Mr. De Crety will take charge of French correspondence to all the principal cities of France and will procure all Price Currents that they may want.

Prairie du Chien Land Agency.

THE UNDERSIGNED having purchased an interest in the Prairie du Chien, (lower town) offers on reasonable terms two hundred (200) lots, situated near the depot grounds of the M. & M. R. R. Co. I am ready to offer inducements that cannot be surpassed in the State, both as to price, terms and location, to all wishing to purchase a site for business or a desirable residence.

The City of Prairie du Chien being the

Terminus of the M. & M. R. R.,

and situated on the banks of the Mississippi river, tributary to which is the whole State of Iowa and Minnesota. It is unnecessary to make any comments, for it is too evident that it must be the second city of Wisconsin.

Prairie du Chien is the Point to Double Your Money in Twelve Months.

To my old friends, Railroad Conductors and all others, I will say—call and see me, and you will be sure to be rewarded.

BOERHAVE'S

HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND

FEVER AND AGUE,

and the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in many instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

CARTER'S SPANISH MIXTURE

THE GREAT PURIFIER OF THE BLOOD!

THE BEST ALTERATIVE KNOWN!

NOT A PARTICLE OF MERCURY IN IT!

An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Ague and Fever, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Enlargement and pain of the Bones and Joints, Salt Rheum, Stubborn Ulcers, Syphilitic Disorders, and all diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.

This great alterative Medicine and Purifier of the Blood is now used by thousands of grateful patients from all parts of the United States, who testify daily to the remarkable cures performed by the greatest of all medicines, "CARTER'S SPANISH MIXTURE." Neuralgia, Rheumatism, Scrofula, Eruptions on the Skin, Liver Disease, Fevers, Ulcers, Old Sores, Affection of the Kidneys, Diseases of the Throat, Female Complaints, Pains and Aching of the Bones and Joints, are speedily put to flight by using this inestimable remedy.

For all Diseases of the Blood, nothing has yet been found to compare with it. It cleanses the system of all impurities, acts gently and efficiently on the Liver and Kidneys, strengthens the Digestion, gives tone to the stomach, makes the Skin clear and healthy, and restores the Constitution, enfeebled by disease or broken down by the excesses of youth, to its pristine vigor and strength.

For the DISEASES OF FEMALES it is peculiarly applicable, and wherever it has become known is regularly prescribed with the happiest effects. It invigorates the weak and debilitated and imparts elasticity to the worn-out frame, clears the skin, and leaves the patient fresh and healthy; a single bottle of this inestimable remedy is worth all the so-called Sarsaparillas in existence.

The large number of certificates which we have received from persons from all parts of the United States, is the best evidence that there is no humbug about it. The Press, hotel keepers, magistrates, physicians, and public men, well known to the community, all add their testimony to the wonderful effects of this GREAT BLOOD PURIFIER.

Call on the Agent and get an Almanac, and read the details of astonishing cures performed by CARTER'S SPANISH MIXTURE, (IN MOST CASES WHERE EVERY THING ELSE HAD SIGNALLY FAILED.) The limits of an advertisement will not admit of their full insertion.
